

Sunset Residential And Rehabilitation Services Incorporated

Sunset Residential and Rehabilitation Services Inc. is a not-for-profit, licensed corporation advocating for persons with disabilities and providing opportunities for their growth and development.

The Sunset Community includes an Adult Residential Centre, Community Based Living Options and Sunset Industries, a sheltered workshop. We also provide service and supports within the Department of Community Services Independent Living Support Program.

MISSION STATEMENT

The Sunset Community is committed to working with adults who need access to twenty-four hour support to live with serious and persistent mental and physical challenges. We will provide safe and supportive living, learning and working environments so these individuals can live satisfying and meaningful lives.

VISION

The Sunset Community will be a leader in removing barriers that prevent those who we work with from having access to choices, and the freedom to create personally satisfying and meaningful lives.
